

CA-1

PROJECT TEAM NO: - K21PD_CSE326_35

PROJECT TITLE: - Awareness and diagnosis for cancer

TEAM MEMBER: - 1. ARYAN RAJ (12100523)

INTRODUCTION:-

This project is made by Aryan raj. This project about for cancer awareness and diagnosis site of the hospital.

My website is made for spreading awareness of cancer and make better connection between doctor and patient.

It makes better interaction between different type of doctor and public. Everyone able to connect with doctor virtually and take advice form him and my website is user friendly and easy to untestable.

MODULE DESCRIPTION: -

Navigation Bar

It is placed on the top of page.

From here anyone navigate to HOME, FIND A DOCTOR, ABOUT US, TREATMENT.

Tag Used- links, external CSS, Div, li,ul.

Buttons

It is for appointment and information.

After clicking on buttons it will automatically redirect to the information page.

Tag Used- button, links, external CSS, google fonts.

Image Slider

It is consisting of images.

It was showing information about cancer.

Tag Used- slider, overflow, buttons, image holder.

Menu

It is for patient corner.

Here everyone sees its reports and services.

#Tag Used- hover, ul, il, div, fonts.

        <h1><center>DEV CANCER DIAGNOSIS AND RESEARCH CENTER</center></h1>
        <h2>About us</h2>

```

A crusader of quality health care, with an illustrious experience of 23 years,
he chose not to rest on his past laurels and decide to usher in a new era of
medicare to serve the society. This burning desire led to the genesis of
Dev cancer diagnosis and research center.

The Hospital has all the ultra equipments and infrastructure at par with any
premier Hospital of the region. The technological advancement can only benefit
a patient optimally if appropriately used by an able physician. In order to
achieve this synergy the hospital has a formidable team of accomplished consultants
with international acclaim which makes Caremax a name to reckon with hundred of
patients visit the out patient department of the hospital everyday to avail the
services of its competent physicians in the specialities of oncology,
cardiac surgery, tumor, endocrinology, general laproscopic surgery, minimal
invasive spine surgery in addition to joint replacement orthopedic department.

There is a round the clock Emergency ward to efficiently handle any critically
sick patients in addition to ICCU for cardiac emergencies under the supervision
of senior Intensivist and 24 hour available cardiologist. The hospital has a
neurosurgery (cum trauma and critical care) ICU for patients with neurological
conditions and traumas. For the convenience of patients there is a minor operation
theatre for day care procedures, a cutting edge modular orthopaedic cum neurosurgery
operation theatre and an advance ultra modern cardiac cum, laproscopic surgery operation
theatre. It is one of the few hospitals to have a state of the art latest clarity model
Cath lab of philips with one of its own kind stent boost and a 24/7 team for performing
primary angioplasty for acute myocardial infarctions. It also has a radial lounge for
